

I would like to file a complaint as I am very upset at a decision that Sinclair Broadcasting has made to force their stations to air an anti-Kerry documentary days before the presidential election.

Sinclair uses the public airwaves thanks to taxpayers like myself, and is obligated by law to serve the public interest. This is a dangerous example of what happens when media consolidates and it should not be allowed to prosper.

Please help stop this obviously partisan airing and please help us strengthen media ownership rules, not weaken them.

Thank you.
